In claim 23 line 10, please insert a semicolon so that the line reads "standard

program;"

In claim 30 line 1, please insert "The method of claim 23 **wherein** step (b)

loads..."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's

disclosure. Specifically, Pomaranski ('530) teaches special program instructions

requiring redundant execution for additional reliability and Linger ('380) teaches a

shadow processing system without the different levels of program reliability.
